## Health, Safety & Comfort First

At Peka Paws Retreat, the well-being of every guest is our highest priority. By understanding your pet's dietary needs, activity limits, and any required medications, we can ensure their stay is as safe, happy, and stress-free as possible.

### Vaccination Policy

For the safety of all our furry guests, we require up-to-date vaccinations completed under a licensed veterinarian's care. Proof of vaccination is required before check-in.

Vaccines must be given at least 48 hours before arrival, though 10–14 days in advance is preferred for maximum protection.

All vaccines must meet Ontario's pet care regulations — please confirm your pet's records meet local requirements.

### Required for Dogs:

DPP (Distemper, Parvovirus, Parainfluenza) – 1 or 3-year

Bordetella (Kennel Cough) – Every 12 months or as per your vet's recommendation

Rabies – 1 or 3-year

### Required for Cats:

FVRCP (Feline Viral Rhinotracheitis, Calicivirus, Panleukopenia) – 1 or 3-year

Rabies – 1 or 3-year

### Highly Recommended (Dogs):

Canine Influenza

Leptospirosis

Flea & Tick Prevention

Guests must arrive free of fleas and ticks. Pets showing signs of infestation cannot be admitted until treated.

### Age & Health Requirements

Minimum age for overnight boarding or daycare: 4 months

Some pets may be declined admission if their health or behavior poses a risk to themselves or others.

### Food & Feeding

We recommend bringing your pet's own food to keep their stomach happy and their routine consistent — there's no extra charge for this.

If you'd like them to enjoy our premium in-house meals, additional fees apply.

### Medication Policy

If your pet needs medication during their stay:

All medication must be in its original packaging with clear labels for type and dosage.

We accept over-the-counter medications only with a vet's dosage instructions.

**Injections are also administered.**

**Medication services carry a small additional charge.**

### Required Forms

To make check-in smooth, please complete and return these forms before your pet's visit:

Peka Paws Retreat Service Agreement – Outlines our terms of care.

Medication Form – Lists any medications, vitamins, or supplements needed.

Vaccination Record Release – Allows your vet to send us your pet's vaccination details directly.

♥ At Peka Paws Retreat, every guest is treated like family — we believe in love, safety, and care above all else.
